SAGE'S STORY

PART 2

Sage was a vulnerable child who was groomed into gender confusion by her school, abused at her school by other students, and advised by her school to hide it all from her mom, Michelle. Sage was kidnapped, sex trafficked twice and kept from her parents by a judge who sided with those pushing the cult of adolescent transgenderism. Sage was eventually found and wanted to go home. Finally safe at home, Sage said, “I don’t know what I was, but I was never a boy.”

If that is not enough of a nightmare, imagine that you may not be reunited with your broken child and could even be charged with a crime if you do not go along with your young girl’s new gender identity. This nightmare was reality for Sage and her family. Sage is healing from her ordeal and is happy to help others avoid what she went through. Sage was excited to watch the bill go through the 2023 Session and has said she hopes to join the Governor when Sage’s Law is signed into law in Virginia.

“Virginia Democrats proposed to make it a crime to “misgender” a child. Two other states have passed laws allowing children to be taken from their parents and given drugs and medical treatment while withholding information from parents. Sage’s Law, once passed will protect parents who affirm their child’s biological sex. When elected to the Senate, I will fight to make sure our children are protected from this abuse.” –Dave LaRock

When you’re choosing a doctor, a contractor, a financial advisor, or a daycare provider... you look at references, reviews and a track record.

You can expect professionals who stand on a solid reputation to serve you well.

When choosing a legislator to make

important decisions on your behalf, consider that a track record is the best indicator of future performance.

There is a crowded field of candidates running to be the Republican nominee for the First Senate District.

Dave’s opponents offer WORDS.

They are talking about themselves. People who know the job of representing others, speak for Dave.

SAGE'S STORY
PART TWO

EARLY VOTING STARTS MAY 5. PRIMARY DAY IS JUNE 20.

DAVID LAROCK IS THE ONLY PERSON RUNNING WITH A PROVEN TRACK RECORD OF ACTION AND A COMMITMENT TO CONSERVATIVE VALUES.

FIGHTING FOR OUR VALUES

"Dave LaRock is not afraid to fight the radical left agenda and to stand up for his faith and convictions. I'm proud to endorse Dave. He has a solid record that proves he can win in a tough district while never backing down. Dave will not compromise in Richmond when it comes to our conservative values. We must ensure, not only that we take back the Virginia Senate, but we do it with a true conservative."

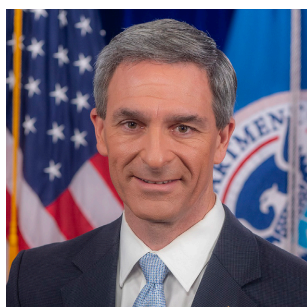

— CONGRESSMAN BOB GOOD (VA-5)

WINNING CAMPAIGNS

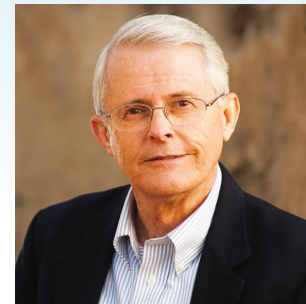

"Dave LaRock is a strong leader, admired for being unfailingly honest and fair. He has an unbeatable work ethic, along with a deep devotion to family, his constituents, and his legislative work. Most of all, he is known for his commitment to principle and to his values. What is less known is the critical role he plays negotiating complex matters among colleagues on both sides of the aisle. He is a thoughtful negotiator, willing to put in whatever effort is required to solve tough challenges."

—VIRGINIA SENATOR JILL HOLTZMAN VOGEL

"Dave LaRock is a battle-tested conservative and a proven winner who will give Virginia conservatives our best chance to win the majority in Virginia's Senate."

—VIRGINIA ATTORNEY GENERAL KEN CUCCINELLI

"Dave has made huge headway in improving transportation without raising taxes, parental rights, school choice, gun rights, defending the unborn, fighting vaccine mandates and shutdowns, beating back attempts to grow government, exposing environmental extremism, and defending law enforcement. There are too many examples of Delegate Dave LaRock's rock-solid leadership to name."

—SENATOR DICK BLACK is a former state senator and member of the House of Delegates.

Dave passed Naloxone legislation with unanimous bi-partisan support.

"Thank you, Del. LaRock from the Medical Society of Virginia, on behalf of 11,000 members. thank you for your hard work on developing solutions to combat the opioid crisis in Virginia. Your support for both physicians and patients demonstrates leadership in creating the most cost-effective measured approaches to tackling this crisis..."

—RALSTON KING, Medical Society of Virginia - Saving lives of vulnerable individuals caught in the opioid crisis
