WINNING ON PARENTS RIGHTS

Crowded field of GOP candidates in Senate District 1

May 10, 2023

LaRock...is the lone candidate with experience as a state legislator in Richmond... ranked the most conservative member of the state legislature... ..he has had more bills vetoed by Democratic governors "than probably any other member of the legislature." LaRock said, "I'm helping kids to get an education without being exposed to sexually explicit garbage and groomed to be little Marxists. For 10 years, I've been fighting the left's insidious lies about human sexuality, which by the way are completely incompatible with Christianity,"

WINNING ON LIFE

DAVE LAROCK IS TRUSTWORTHY, 100% PROLIFE

“... While I was CEO of ADF (Alliance Defending Freedom), our team drafted the law in Mississippi that was the subject of the Dobbs case, and served quietly and in the background as a part of the legal team for the Mississippi Attorney General’s office in the Supreme Court of the United States for that case—which, as you know, resulted in the reversal of Roe v. Wade. Yes, I led the legal team that helped to reverse Roe. **Dave LaRock is trustworthy, 100% prolife and is the person we need in the legislature to change hearts, minds, and laws.**” –Mike Farris

WINNING ON RELIGIOUS FREEDOM

Virginia AG Probes Mounting Religious Discrimination Cases After Hospital Revoked Covid Job Exemptions

ASHLEY BATEMAN

“I continue to encourage constituents facing religious discrimination to document and report their experiences as legal precedence to support health care workers gains ground in the courts,” LaRock said. “It is an ongoing legal battle to protect religious rights.”

WINNING AGAINST THE RADICAL PERVERSION OF OUR CHILDREN

Sage is grateful that some legislators and advocates are listening and care. She also recognized as lies the arguments used by those opposed to protecting kids like her.

The Christian Post
MONDAY, JANUARY 23, 2023

State Delegate **Dave LaRock** announced Thursday that he introduced a bill, known as HB 2432 or “Sage’s Law,” which requires anyone “licensed as administrative or instructional personnel by the Board of Education and employed by a local school board” to contact at least one parent of a student who self-identifies as trans.

Dave LaRock voted with Republicans to withdraw Virginia from the costly and ineffective Regional Greenhouse Gas Initiative (RGGI). It was nothing more than a Democrat-imposed TAX scheme that makes electricity more expensive for everyone in Virginia. Now, state regulators have agreed to withdraw from RGGI, a move that will significantly lower electricity rates providing much needed help in these stressful economic times. “Today’s common sense decision by the Air Board to repeal RGGI protects Virginians from the failed program that is not only a regressive tax on families and businesses across the Commonwealth, but also does nothing to reduce pollution,” Governor Youngkin wrote in a news release.

WINNING ON GUN RIGHTS

VCDL-PAC PROUDLY ENDORSES DAVE LAROCK

LaRock’s consistent support of our 2A rights as Delegate in House District 33 for the past 9 years, his 100% rating over the years and willingness to carry important bills is paramount in our support. Taking back the Virginia Senate this year is key to moving the pro second amendment agenda through the legislature.

WINNING ON FAIR ELECTIONS

“I particularly remember your faithfulness to the cause right after the highly questionable 2020 Presidential election, and how you stepped forward to organize members of the General Assembly to ask the Vice President to delay certification of the vote until the results could be verified. I also heard about how the leftist Speaker of the House at that time punished you for taking that courageous stand by stripping you of a committee assignment. You understand firsthand that leadership comes with a cost. I understand that you have been rated the most conservative member of the Virginia General Assembly, for good and important reasons. You are my kind of elected official! Your experience and even more importantly, your courage in the battle, are vitally needed. I urge everyone to join your campaign and support you in the June 20 primary.”

–Michael Flynn
