**Sheriff Rand Henderson Launches Reelection Campaign**  
*Demonstrates Robust Grassroots and Broad Community Support*

CONROE TX - Sheriff Rand Henderson launched his reelection campaign last night before a packed room of local leaders and supporters. He highlighted his robust grassroots support and broad community backing.

“Public safety is government’s first responsibility. The men and women of the Montgomery County Sheriff’s Office are here to protect and to serve. I’m proud of the work they do and am honored to lead this team to safeguard our community,” Henderson said.

Sheriff Henderson has gained support of a majority of the Republican grassroots leadership and party officials. He begins his campaign with a war chest of over \$600,000.

“The support from Commissioners Court, District Attorney Brett Ligon and from across the law enforcement community is gratifying. It’s a team effort and I appreciate their trust in me. The tremendous support from the community is humbling. That’s why I entered law enforcement. It is their backing that calls me to seek reelection and gives me confidence we will be successful in this reelection campaign,” Henderson concluded.

Sheriff Rand Henderson was first elected as Sheriff in Montgomery County in 2016 and is up for his third full term in November 2024. More information about Sheriff Henderson is available at [www.RandHenderson.org](http://www.RandHenderson.org).
