Mr. Sam Bacote

Atlanta, Georgia 30318

Dear Sam:

I am in receipt of your communication regarding your service on the Development Authority of Fulton County. I certainly understand your desire to commit full-time to campaign duties for the District 5 Atlanta City Council race.

You have been a valuable member of the Development Authority of Fulton County for many years and according to Ms. Harriet Thomas, my Chief of Staff who attended many meetings on my behalf, you were one of the few members who questioned the activities that came before the Authority. In light of some recent reporting, this willingness to ask questions and scrutinize deals is not taken for granted and is greatly appreciated.

Based upon your long tenure as a member of the Development Authority of Fulton County and my policy of rotating my appointees on boards, I will honor your request to transition full-time to campaign duties and away from the Development Authority of Fulton County.

Sincerely,

A handwritten signature in black ink, appearing to read "Robb Pitts".
